**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of the lucky few who have fiber to the node (fttn) from a local provider. I was previously connected with a large national cable company with a cable modem. My new service is far superior for approximately the same amount of money. I am currently a consumer and have been a small business owner in the past. The choice that I have now, in my opinion, should not be jeopardized.
